Additional 25 lbs	N/A	\$55.00

**Buy-a-Bag Terms:**

Buy-a-Bag is only available to Harbour Air Club members who have booked Value, Comfort, or Flex fares. Buy-a-Bag products are non-refundable. Pre-reserved Buy-a-Bag can only be purchased more than 72 hours before departure, and each guest may pre-reserve one bag per flight. Pre-reserved Buy-a-Bag is subject to availability and boosts the baggage allowance of the fare. Buy-a-Bag purchased at check-in travels on a space-available basis and is considered outside the baggage allowance. Due to operating weight-constrained aircraft, Harbour Air may at times need to place luggage on alternate services.

To pre-reserve Buy-a-Bag, guests should contact the Customer Contact Centre at [harbourair.com/contact-us](https://harbourair.com/contact-us).

Another great perk of your VICA membership. Enjoy the skies this summer!
